WHY SHOULD I GIVE TO THE
**ST. IGNACE AREA
COMMUNITY FOUNDATION?**

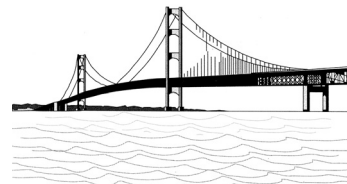

“In giving to the St. Ignace Community Foundation, corporations and individuals receive tax credits and/or deductions from the state and federal governments. This makes the joy of giving more precious. Your gift to an endowment fund is forever, a gift to your community now, and every year thereafter.”

~ *Bev Swope*

“Our contribution today will keep earning money for community needs tomorrow. As the community changes, its needs will change, and our contribution will be there to help long after we are gone.”

~ *Mary & Wesley Maurer, Jr.*

The St. Ignace Community Foundation offers the maximum tax advantage under state and federal law.

Purpose & Intent

St. Ignace Area Community Foundation (SIACF) believes that with a focused effort we can grow our principal balance to \$2 million over the next 10 years.

That growth in SIACF would provide approximately \$100,000 to distribute toward community needs on an annual basis. Through this Booster Membership program, we hope to attract and involve a greater number of community members willing to make annual contributions to SIACF.

Booster Membership

Become a Booster of the SIACF by making a minimum annual contribution of \$100 per person. Businesses can become a Booster for a minimum annual contribution of \$250.

Booster members will receive an annual electronic newsletter and be invited to an annual reception (*food and beverages provided*) associated with spring grant and scholarship awards.
